Chapter 13

Debtor.

**ORDER DENYING DEBTOR'S MOTION TO REINSTATE CASE**

This case is before the Court on a motion filed by Debtor entitled "Motion to Reinstate Case," filed April 8, 2010 (Docket # 19, the "Motion"), which this Court construes as a motion for reconsideration of, and for relief from, the Court's April 5, 2010 Order dismissing this case (Docket # 16).

The Court finds that the Motion fails to demonstrate a palpable defect by which the Court and the parties have been misled, and that a different disposition of the case must result from a correction thereof. *See* Local Rule 9024-1(c).

In addition, the Court notes the following. First, the allegations in the Motion do not establish excusable neglect under Fed.R.Civ.P. 60(b)(1), Fed.R.Bankr.P. 9024, or any other valid ground for relief from the order dismissing this case.

Second, the Motion is incorrect in asserting that the Court's dismissal order was signed and filed one day too early. It was not. The case was properly dismissed on April 5, 2010 because the Debtor failed to correct the deficiency (lack of signature) in her statement of social security number, by the March 30, 2010 deadline established in the notice of deficiency filed March 23, 2010 (Docket # 6). A copy of this notice of deficiency was mailed to the Debtor by the Bankruptcy Noticing Center on March 25, 2010. (*See* Docket # 9).

Third, Debtor failed to file numerous required documents by the April 5, 2010 deadline

for same, including Schedules A-J; the Credit Counseling Certificate; Statement of Financial Affairs; Statistical Summary; Summary of Schedules; Chapter 7 Means Test; and Chapter 13 Plan. Nor did Debtor file a motion for an extension of the April 5, 2010 deadline, before that deadline passed, to file any of these documents.

For these reasons,

IT IS ORDERED that Debtor's "Motion to Reinstate Case" (Docket # 19), is DENIED.

**Signed on April 09, 2010**
